Subject: methanol FRN - updated for listening session, still needs Lynn's comments
Attachments: Methanol FR notice 03-25-11.doc

Since we now have some more time on the methanol FRN, I made some edits to include the listening session information and notice that the participant list and presentations will be made a part of the public record. I think this is only missing the edits that Lynn said she wanted to make. The recent changes are shown in redline.

Thanks
